المؤسسة الأوروبية العربية للدراسات العليا

المؤسسة الأوروبية العربية للدراسات العليا هي مؤسسة متخصصة تعمل في مجالات التعاون والتدريب والبحث.

المؤسسة تهدف الى خلق فضاء من أجل الحوار والتعاون بين أوروبا والعالم العربي.

تعمل المؤسسة من بين أهدافها على تشجيع العلاقات الثقافية والاقتصادية بين أوروبا والعالم العربي من خلال نشر المعرفة العلمية والانسانية التي تنشئ في الجامعات و المراكز البحثية العلمية الأخرى أو من الابداع الفنى، الاسبانية أو من دول أخرى، من أجل المساهمة بهذه الطريقة في تعزيز الحوار بين الدول العربية والدول الاعضاء في الاتحاد الاوروبى.

ولذلك مهمة المؤسسة تتمركز في ترويج الدراسات والابحاث، وتشكيل منصة ومنتدى للمناقشة والمناظرة. كما تحافظ المؤسسة من خلال اتفاقيات التعاون على علاقتها مع مؤسسات تعليمية، وثقافية- واقتصادية، وبحثية من أجل تعزيز الروابط بين أوروبا والعالم العربي.

من المعروف أن في المجال الثقافى هناك هامش كبير لسوء الفهم. لكن في نفس الوقت الثقافة فى حد ذاتها

مساواة والمؤسسة تعمل مع الاقتناع أن الثقافة يمكن أن تكون الأساس وفى الوقت نفسه الوسيلة من أجل علاقة منصفة بحيث تصبح أرضية مثالية للعمل نحو علاقة أوروبية عربية حيث تستغل التصورات المتبادلة لخلق فرص وتغذية التأمل وتشجيع العمل.

تعمل المؤسسة فى جميع مجالاتها بوعى كامل أن مبدأ الاحترام المتبادل هو الطريق نحو تغيير الرؤية إذا ما تغيرت المواقف. فى عالم هزته صراعات التطرف المفاجئة، تنشأ الحاجة الى تجنب النسبية غير المسؤولة وكذلك الترويج الى عدم الانتظام. فى هذا الاتجاه، ستحمل الديمقراطية بلا شك راية الثقافات التى تطورت بها.

العنف هو عدو الحوار، لكن لا يزال هناك تلك الكلمات الغامضة والخطابات الخاوية التى يمكن أن تضمره. ممثلو أى حوار يحتاجون الى اتصالات، وتحركات، واجتماعات، ومشروعات، وشبكات وتمويل. فريق المؤسسة يبذل كل الجهود الممكنة اللازمة من أجل خلق اختلاف بين كل نشاط أو اقتراح نقوم به.

• أهداف المؤسسة:

- تعزيز التبادل التعليمي والتدريبي، وكذلك البحثي والتعاون مع مؤسسات فى مناطق ذات مرجعية جغرافية أخرى، تقوية الروابط خاصة مع دول حوض البحر المتوسط. فى المؤسسة الأوربية العربية، نعتزم غرس الكفاءة والشغف للبحث فى نفوس باحثينا جنبا الى جنب مع فهم أهمية الانتقال الى التنمية الاجتماعية والاقتصادية. هذا الهدف يتضمن تنفيذ العديد من الأنشطة التدريبية، مثل السيمينارات، والدورات الصيفية وغيرها.
- تقديم تعليم الدكتوراة وما بعد الدكتوراة على أعلى مستوى، كفاء وجذاب على المستوى الدولى. المؤسسة تصمم وتدير وتروج الدراسات العليا. تركز مهمتنا على الاستفادة القصوى من جميع الادوات والتقنيات من أجل تغذية تعليم وفهم طلبة موضوع التنوع بواسطة برامج مقدمة من جامعات ومراكز بحثية فى مختلف البلدان.
- المساهمة فى التنمية الاقتصادية لأمة، وهي مرادفة لحماية البيئة، ومكافحة تغير المناخ والتنمية الحضرية والريفية، فضلا عن التنمية الاجتماعية للجميع. وبوجه الصندوق تحديات التنمية الاقتصادية على وجه التحديد من خلال برامج التدريب فى الإدارة العليا للمدراء التنفيذيين والموارد البشرية.
- التنفيذ الكامل لشبكة واسعة وشفافة ومستبيرة من الشراكات المؤسسية والاجتماعية. فى المؤسسة، نحن نقدم مساعدتنا من خلال القضاء على بعض العقبات التعاونية التى توجد بين الثقافات المختلفة، مثل: التصورات المتبادلة، ودور وسائل الإعلام، إنكار الحقوق والكرامة والحرية والمساواة، وغيرها.
- ويتم تحليل كل قرار واتخاذ إجراء لتحقيق الأهداف المذكورة أعلاه فيما يتعلق بالآثار التى يمكن أن تحدث للمجتمع ككل. ونحن ندرك أن التعليم والتسامح والتنمية يتطلبان مشاركة أكبر من جانب أصحاب المصلحة المختلفين الذين يشكلون جزءا من العمليات فى الشرق والغرب والوطنية والمحلية والخاصة والعامة من خلال إنشاء مساحات من أجل المعرفة.

المنظمة والجهات المانحة فى المؤسسة

يعود أصل المؤسسة الأوروبية العربية للدراسات العليا إلى الإنفاق الذى أقره البرلمان الأوروبي عام 1948 (نشرت فى الجريدة

الرسمية للاتحاد الأوروبي بتاريخ 30/4/1984) لإنشاء الجامعة الأوروبية العربية. وهي مؤسسة عامة ذات تركيبة ورسالة فريدة. تقع في غرناطة، وهي مدينة مرجعية في العلاقات التاريخية بين أوروبا والعالم العربي، وتحكم المؤسسة برعاية مختلطة، برئاسة الأمين العام للجامعات، مع أعضاء من جامعة غرناطة، وزارة التربية والتعليم والثقافة والرياضة، ومجلس الحكم الذاتي في الأندلس.

Projects EUROMED- Anna Lindh Foundation •

Since YEAR 2005, FUNDEA has been partner in Anna Lindh Foundation, a region-wide Network of over 4000 civil society organisations. Through its action and reflection the ALF aims to contribute to the development of an Intercultural Strategy for the Euro-Mediterranean Region, providing recommendations to decision-makers and institutions and advocating for shared values. The main scope of the ALF is overcoming the misunderstandings and stereotypes which affect relations between and within the societies of the Region, a task which became of utmost importance in the last decade. As a contribution to the creation of a space of prosperity, coexistence and peace, the ALF works to restore trust in dialogue and bridge the gaps in mutual perceptions, as well as .promoting diversity and coexistence

Alliance of Civilisations •

The Euro-Arab Foundation is part of the II National Plan for the Alliance of Civilisations of the Spanish Government. The Alliance of Civilizations, as a political initiative of the Secretary General of the United Nations, is supported by a Group of Friends made up of more than a hundred members, comprising countries and international organizations. Furthermore, the Alliance relies upon a wide network of partners and partnerships .with cities, civil society organizations, corporations, foundations, universities, faith-led organizations etc

The Alliance responds to a broad consensus across nations, cultures, religions and non religious convictions that all societies are bound together in their humanity and interdependent in their quest for stability, prosperity and .peaceful coexistence

The Alliance seeks to address rifts between societies and communities by promoting pluralism and diversity management as essential factors for good governance, based on mutual respect among people of different ethnic, cultural and religious backgrounds and on helping to mobilize concerted action towards this end. This effort reflects the will of the vast majority of people to reject extremism in any society and support respect for .diversity, be it ethnic, religious, cultural or other

.EURAD Project •

Shari'ah-based communicative approach to prevent and fight contemporary forms of radicalization leading to home-grown terrorism in the EU The overall objective of the project is to develop horizontal, Shari'ah- based methods to prevent religious radicalization within European civil societies through an innovative use of mass-media. EURAD refers to the anti-jihadist narratives of Muslim Activists/Movements of the Arab Spring as a .fundamental framework to develop counter radicalization processes

[21]

' HERA Project ' European Muslims' views on Islamist media •

This project is a "Humanities in the European Research Area" proposal. The rise of Islamic awakening and radicalisation in the Arab and Muslim world has had its impact on the EU-based Muslim communities, which are estimated to rise to 8% of the overall population by 2030. Moreover, recent events, such as Copenhagen shootings and Charlie Hebdo attacks in Paris, indicate a rise of anti-Semitism and anti-Zionism discourses in what is regarded as "Israel-bashing" amalgamating anti-Semitism with anti-Israel sentiments. The anti-Western as well as anti-Semitic discourses tend to lean on traditional Islamic sources, drawing on past narratives in order to provide a shared interpretation of immediate struggles and to draw on comparison and analogies with previous events in history. We acknowledge the role of media in constituting spaces of cultural and social practices integrated in the cultural discourse. Because Islam as a religion is a mediated practice, it is important to analyse religious identity in relation to the unique surrounding social and cultural context of the audience. The project therefore proposes to conduct empirical research in four selected countries; each has a sizeable Muslim community.

European Commission- Home Affairs Directorate Project 'PRADJIHAD / Preventing • 'Radicalisation of Jihadist Terrorism

The overall objective of this project is to develop and apply tools for the detection, evaluation and classification of the psychosocial variables involved in the processes of violent radicalization and recruitment of jihadist terrorists. In addition it aims to manage the knowledge so gained politically and legally in the context of the European Union. The results will be transferred to society in general, with the purpose of prevention and social intervention aimed especially, but not exclusively, at new generations of Muslim men and women who live in different countries of Europe. To do this, field research will be conducted to investigate the psychosocial characteristics that make people more vulnerable and resistant to violent radicalization and recruitment as well as analyze the different recruitment strategies and subjugation and from this, develop guidelines for the planning of psychosocial measures to prevent violent radicalization and recruitment.

International Cooperation Project. DRC: A Loudspeaker for Silence •

This is an international Project taking place in the Democratic Republic of Congo. The cooperation partners are FUNDEA and the Association des Femmes des Médias du Sud Kivu (AFEM/SK). The Project is funded by Diputación de Granada, Fundación Caja Granada, Alanoud Foundation, French Alliance of Granada and the Faculty of Communication Sciences (University of Malaga). Other partners are the United Nations Mission in Congo and Maendeleo Radio and Okapi Bukavu Radio. The project's objectives include building a critical mass of highly educated and skilled female African journalist who can contribute not only to the country's economic growth and global competitiveness but also to the fight for women's rights.
