

news Details on the implemented project: SISUMMA

29 May 2018

This project was led by the Euro-Arab Foundation (Spain) in a consortium involving four other organizations from Austria ([Südwind](#) [1]), Croatia ([Mala Filozofija](#) [2]) Estonia ([Peipsi Center for Transboundary Cooperation](#) [3]) and Slovakia ([Open Society Foundation-Slovakia](#) [4]). SISUMMA project has been implemented in 27 cities; it has involved more than 2,300 citizens, including participants from 44 different countries.

But this project doesn't really finish here. Please, join our [European Network for a Multicultural Coexistence](#) [5].

You can download the report with details on the implemented project SISUMMA here:
