news18 JUNE / TAKEDOWN final conference: "New Approaches for Fighting Radicalization, Terrorism and Organized Crime"

22 Apr 2019

The **H2020** [1]-Project **TAKEDOWN** [2] will hold its final conference on **18th June 2019 in Valencia, Spain**, ahead of the project's closing in August.

The programme will include a presentation of the project's results as well as high-level discussions on some of TAKEDOWN's main topics, such as the **Organized Crime and Terrorism Nexus**, **Radicalization in Prisons**, **Multi-Stakeholder Cooperation** and **Local P/CVE** as well as **Organized Cybercrime**.

- **Registrations deadline closed**

- **You can now consult and download the programme updated on the right of this web page**

The attendants will have the opportunity to test the open platform **FIRST LINE PRACTITIONERS** [3]as well as the closed platform **FIGHT CRIME TERRORISM**, with the first one providing services and support for first-line-practitioners and the latter hosting a digital market place for law enforcement agencies and security companies.

Who should participate?

- First-line practitioners
- Policy makers
- Researchers
- Law enforcement agencies

Venue

Valencia Local Police
37, Cid Avenue. 46018 Valencia, Spain

- **More information at takedownproject.eu [4]**
